STATEMENT OF PARTIES

2. Plaintiff is a citizen of the State of Vermont  
residing in St. Albans, Vermont.

3. Defendant Thornton is the District Director of  
Customs for the geographical area where the search and seizure,  
below described, took place. He is charged with the enforcement  
and administration of the customs laws in his area and pursuant  
to authority granted by Defendant Connelly and Defendant Ambrose

4. Defendant Acree is the Commissioner of Customs to  
whom petitions pursuant to 19 U.S.C. § 1618 are submitted, and  
who has the right to levy fines and who also controls the  
activities of the District Customs Director.

5. Defendant Schultz is the Secretary of Treasury - the Bureau of Customs is a branch of the Department of Treasury and he is charged with the enforcement of all laws pertaining to Customs.

STATEMENT OF CLAIM

6. On or about October 27, 1971 Plaintiff, his wife, their two minor children, and Plaintiff's automobile, to wit: one 1964 Ford automobile, were detained and searched in the vicinity of Swanton, Vermont, incident to an alleged border crossing by Plaintiff and his family with the vehicle from Canada to the United States.

7. On or about October 27, 1971 an unknown federal employee at the Border Station at Highgate Springs, Vermont, did seize Plaintiff's automobile for an alleged violation of 19 U.S.C. § 1459: which

Requires the person in charge of a vehicle arriving in the United States from contiguous countries to immediately report his arrival to the customs office at the port of entry or customhouse which shall be nearest to the place at which said vehicle shall cross the boundary line.

8. On or about October 27, 1971, an unknown federal employee at the Boarder Station at Highgate Springs, Vermont, did direct Plaintiff to complete and submit a petition for remission and mitigation pursuant to 19 U.S.C. § 1618 which states:

That any person who has had a vehicle seized or who has incurred a penalty incident to a violation or an alleged violation of 19 U.S.C. §§ 1459, 1460 may submit a petition for remission and/or mitigation of said seizure or penalty to the Defendants for their determination.

9. On or about October 27, 1971, at the Port of Entry at Highgate Springs, Vermont, an unknown federal employee did assess Plaintiff's automobile to be worth Fifty (\$50.00) dollars and informed Plaintiff that the payment of the Fifty (\$50.00) dollars would release the automobile to the Plaintiff.

10. On or about October 27, 1971 at the Port of Entry at Highgate Springs, Vermont, Plaintiff did reclaim his automobile and was told by said employee that Plaintiff would be further informed of the disposition of his case by Defendant Thornton.

11. On or about January 17, 1972, Plaintiff was notified by mail that on January 5, 1972 Defendant Thornton had imposed a penalty in the amount of \$1600.00 for an alleged violation of 19 U.S.C. § 1459.

12. On or about January 17, 1972 Defendant Thornton notified Plaintiff by mail that in consideration of Plaintiff's petition for relief from penalties incurred by Plaintiff for violation of 19 U.S.C. § 1459 the penalty of \$1600.00 was mitigated to Twenty-five dollars (\$25.00). This penalty would be deducted from the Fifty Dollars (\$50.00) "deposit."

13. Plaintiff has not been afforded any type of hearing concerning the validity of the search, validity of the seizure, validity of the alleged violations of the law and validity or amount of the penalty assessed.

14. The said penalty assessed against Plaintiff is in the nature of a criminal penalty.

15. The mitigated seizure and subsequent holding of Plaintiff's "deposit" without a hearing for probable cause for the seizure prior to or immediately after said seizure

violated Plaintiff's right to such a hearing guaranteed by the Fourth Amendment to the United States Constitution.

16. The mitigated seizure and subsequent holding of Plaintiff's "deposit" without a hearing prior to or immediately after said mitigated seizure violated Plaintiff's right not to be deprived of property without due process of law in violation of the Fifth Amendment to the United States Constitution.

17. The imposition of the penalty and subsequent mitigation of the penalty by Defendant Thornton and his employees to a Twenty-five dollars (\$25.00) penalty deprived Plaintiff of his property without due process of law in violation of Plaintiff's rights guaranteed by the Fifth Amendment to the United States Constitution.

18. The assessment of a criminal penalty by Defendant Thornton violated Plaintiff's:

- a. right to enjoy a speedy and public trial,
- b. right to trial by jury,
- c. right to be informed of the nature and cause of the accusation,
- d. right to be confronted with the witnesses against him, and
- e. right to the assistance of counsel as guaranteed by the Sixth Amendment to the United States Constitution.

19. Defendant's action set forth in Paragraphs 6,7,8, 9,10,11,12, supra, are therefore unconstitutional and void.

WHEREFORE PLAINTIFF PRAYS THAT:

20. This Court issue its writ in the nature of mandamus ordering Defendants to restore to Plaintiff the Twenty-Five dollars (\$25.00) penalty assessed against and paid by him.

21. This Court award to Plaintiff the amount of Two Thousand Dollars (\$2,000.00) to compensate him for damages incurred by Defendants' actions.

22. This Court issue its declaratory judgment holding that the provisions of 19 U.S.C. § 1460 which provides for seizures and forfeitures without affording constitutional safeguards to be unconstitutional and without force or effect, and enjoining the further enforcement of said statutory judgment.

23. This Court issue its declaratory judgment holding that the provisions of 19 U.S.C. § 1618 which allow Defendant Acree, Defendant Schultz or Defendant Thornton to assess forfeitures and penalties without affording constitutional safeguards to be unconstitutional and without force or effect, and enjoining the further enforcement of said statute provision.

REQUEST FOR THREE-JUDGE DISTRICT COURT

24. Plaintiff further requests the convocation of Three Judge District Court pursuant to 28 U.S.C. § 2202, inasmuch as this suit seeks to enjoin the operation of a United States Statute on grounds that said statute is unconstitutional.

this action and for cause state the following:

1. The Complaint fails to state a claim upon which relief may be granted.
2. This Court lacks jurisdiction over the subject matter of this action.
3. Jurisdiction does not lie under 28 U.S.C. 1361, as plaintiff has not exhausted his administrative remedy.

AMENDED STIPULATION

It is hereby stipulated and agreed between the parties in the above-captioned case, by their respective attorneys, that if the following witnesses were called they would testify as indicated. To the extent that there may be inconsistencies between plaintiff's testimony on the one hand and that of representatives of the Government on the other, neither party concedes the issue of veracity. This Amended Stipulation replaces the Stipulation dated February 28, 1973, previously filed with This Court.

I. PROCEEDINGS AGAINST RONALD RICH

Stipulation of Facts

Plaintiff Ronald Rich, if called, would testify as follows:

1. He is and has been at all times pertinent to this suit a resident of St. Albans, Vermont, and is a citizen of the United States.

2. On October 27, 1971, plaintiff, his wife and two minor children crossed the border from Canada into the United States via the Wolfridge Road in the Township of Alburg, Vermont.

3. In the vicinity of Swanton, Vermont, plaintiff and his family were stopped by Border Patrol agents and were accused of having crossed the border illegally. They were then ordered to proceed to the border station at Highgate Springs, Vermont, which they did.

4. At the Highgate Springs customs and immigration station a special agent of the Customs Department seized plaintiff's 1964 Ford Automobile for violation of 19 U.S.C. § 1459. The Special Agent was Paul Graveline.

5. Immediately thereafter, while still at the immigration and customs station, plaintiff was advised by Customs Inspector John Clark of the nature of the charges against him, of the fact that he was subject to a statutory penalty under 19 U.S.C. § 1460 of \$100.00 for himself and \$500.00 for each of his three passengers, and that he could file immediately a petition for remission and mitigation of penalties under 19 U.S.C. § 1608. Customs Inspector Clark has been delegated authority by defendant WILLIAM THORNTON to entertain certain customs mitigation and remission cases, such as Rich's.

6. Plaintiff filed a mitigation and remission petition while still at the customs and immigration station with Customs Inspector Clark. A copy of said petition is attached hereto, labelled as Exhibit A, and is incorporated into this Amended Stipulation as evidence in this case. Customs Inspector Clark immediately acted upon the petition to the extent of determining that if a deposit of \$50.00 were made toward the ultimate mitigated penalty, he would no longer need

to hold the car, as authorized by 19 U.S.C. § 1594, and could release it to Rich pursuant to 19 U.S.C. § 1614. Rich made the \$50.00 deposit at that time and the car was released to him.

7. On or about January 6, 1972, plaintiff received a Notice of Penalty Incurred and Demand for Payment (Form 5955A), dated January 5, 1972 and signed by defendant THORNTON. A copy of said Notice is attached hereto as Exhibit B. Said Notice includes advice as to the right to and procedures for filing a petition for administrative relief.

8. No additional petition was filed, and by letter dated January 14, 1972, defendant WILLIAM THORNTON notified plaintiff that the penalty had been mitigated to \$25.00 in view of the fact that there was no evidence of record of an attempt to import any dutiable merchandise in the automobile at the time it was seized, but that plaintiff, nevertheless, had intentionally failed to report to the border station. The sum of \$25.00 would be deducted from the \$50.00 deposit and the remainder returned in due course. A copy of the said letter is attached hereto, labelled Exhibit C, and is incorporated herein as evidence.

9. Except to the extent that he discussed his case with Inspector Clark, plaintiff was not afforded a hearing with regard to whether or not his failure to report was intentional or violated the statute, nor as to the amount of deposit he should make, nor as to the merits of his petition for complete remission of the penalty.

## II. BACKGROUND INFORMATION

To the extent that this Court may deem it relevant, the portion of the Amended Stipulation filed in Lee v. Thornton, Civil Action No. 6461, entitled BACKGROUND INFORMATION, is incorporated herein by reference.

Case No.

72-0210-10177

Mr. Ronald Rich  
168 1/2 North Main Street  
St. Albans, Vermont 05478

Dear Mr. Rich:

This refers to your petition for relief from penalties incurred by you for failure to report to Customs on your entry into the United States on the so-called Wolfridge Road in the town of Alburg, Vermont October 27, 1971.

You claim the violation was due to the fact you were unfamiliar with the roads in that area.

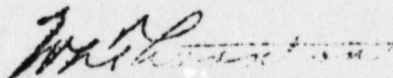

The Border Patrol officer's report of the incident indicates you did not follow the road signs directing you to the port of entry. We, therefore, have to consider your non-compliance with the reporting requirements as intentional.

However, since there is no evidence of record you were attempting at the time to pass merchandise through Customs without paying the lawful duties thereon and since there is no record here of a prior violation by you of any Customs law, we feel relief may be granted.

Accordingly, the penalty is hereby mitigated to \$25.

This amount will be deducted from your \$50 deposit made at Highgate Springs October 27, and the remainder returned to you by the Regional Commissioner of Customs, Boston, Massachusetts in due course. The case then will be considered closed in our records.

Sincerely yours,

W. L. Thornton  
District Director
